

Medical Records Request Policy

This form is intended for **requests to send records** to the following parties:

- Social Security Administration (SSA)
- Florida Disability Office
- Legal Counsel
- Veterans Administration (VA)
- Patients (yourself)
- Any entity that is not a provider using the records for continuing care

Free Option: Patients can view, download, and send their complete medical record **free of charge** through the patient portal.

Note: This form is **not** for sending records to a medical provider for continuing care. Use the Continuing Care Medical Records Release Form instead (no fee).

Delivery: Records are sent electronically only, by secure email or fax. Paper copies are not available.

Fees: Fees apply. Our office will confirm the amount, based on the request, before records are released. Payment is due before release.

A hand-signed (wet signature) form is required. Typed or electronic signatures are not accepted.
